Dear Dennis:

This letter is in support of your efforts to obtain a tax credit on abandon waste coal that is removed from your site.

We appreciate the long standing relationship our agency has had with your company over the last 25 years or so. You have been generous in giving back to our community on a regular basis with donations for playground equipment, winter clothing and Christmas gifts for needy children and families. We also remember your support of our Head Start center in the Colver, PA area when it first began!

Good luck in your efforts!

Sincerely,

Jeffery L. Vaughn MSW, LSW
